

Music Machine 17

Music Machine 17 is based on Bach's Prelude 2 from Book 1 of Forty-eight Preludes and Fugues.

It has four options for performance.

One shot – this will play all 38 bars of the original work once only but in a random order.

Looped – this will play any of the first 24 bars of the original work and will run indefinitely until stopped by the user.

One shot with ending – this will play the first 24 bars of the original work once only and finish with bars 25 – 38 from the original.

Original – this plays the piece as it was written.
